C hammer

3

think about carefully

D grazing

4

To act

E perform

5

eating grass

Check the meaning of these words in a dictionary and then put the word which most makes sense in the correct place.

rumours

defeat

retreat

disintegrating

There were _____ about what was happening in the war however no one knew for sure . Some thought the whole of France could be _____ as the fighting was not going well over there. If the German army were to do well and _____ the French army, then all of our soldier's in France would be pushed back and have to _____.

Now check

There were rumours about what was happening in the war however no one knew for sure . Some thought the whole of France could be disintegrating as the fighting was not going well over there. If the German army were to do well and defeat the French army, then all of our soldier's in France would be pushed back and have to retreat.

What is the word class for each word ?

Write your own sentences with at least two of these words.

Diary or Dairy? You will come across one of these words in the text tomorrow .

Write the meaning for each one and then practise the spelling of each so that you can recognise it straight away.
