Newsletter
14th June 2024

Dear Parents/Carers, Governors and Friends,

Sportsday & Picnic 20th June

We are counting on favourable weather next Friday so that we can enjoy another grand sports day and picnic event together on our school field. Please check your emails for information on times and lunch arrangements – do respond on time if you wish for your child to have a school packed lunch.

TfL Travel for Life

Well done to all children and parents who have helped our school reach the Gold Level accreditation in recognition of achievements in active and safer travel.

We have been awarded Gold from TFL for the “Travel for Life” programme, supporting the next generation of Londoners to travel towards a brighter, safer and more sustainable future.

Let’s keep up the good work! Thank you.

THE RAILWAY Children

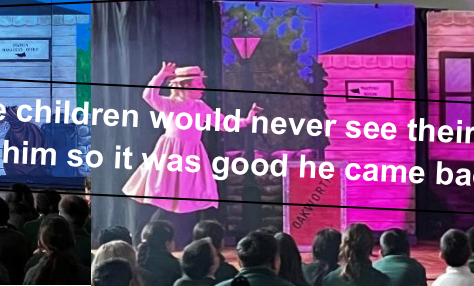

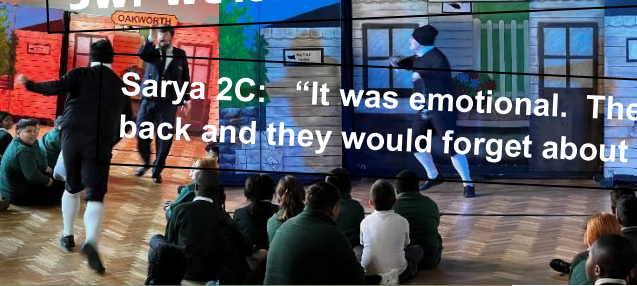

"It was a really nice performance with characters that I liked." Cree 2F
"I liked it because it was fun and the set was beautiful." Skyla 2F
"I liked the dancing and singing, especially the song 'when you grow up' Emma-Lee 2F
"I liked the animation. You could see how they used the set to make things look like they were moving." Victoria 2F

"We enjoyed watching 'The Railway Children' as we had previously learned about it in our DGR session. We explored more about the characters and the themes in the story (patience and bravery). We would recommend watching this theatre show" - 5H

"I enjoyed seeing the props and sets" - Hasanali
"They played the characters well, similar to the original story" - Esra
"It was a good adaption and modern" - Macey
5W: We loved it, it was impressive, engaging and entertaining.

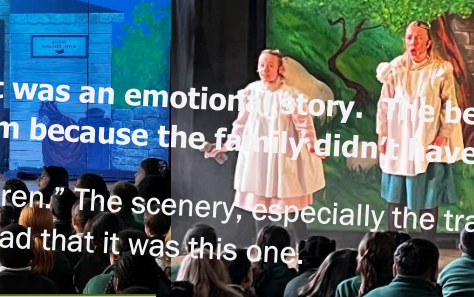

Sarya 2C: "It was emotional. The children would never see their dad if he didn't come back and they would forget about him so it was good he came back."

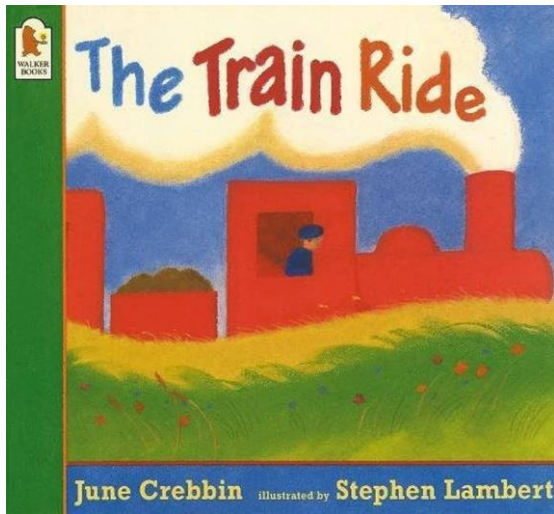

What I liked about the Railway Children was that it was about bravery. The actors were amazing!
My favourite part was the singing! Ellerie 4A

"My favourite part was when the dad showed up. It was very emotional!" Tyler-Mae 4T
"I loved Railway Children because of the bravery the children showed by stopping the train from crashing. They were able to save so many people!" Kharnell 4L

"I liked the Railway Children because it was an emotional story. The best bit was when Peter had to steal to help keep their new house warm because the family didn't have enough money." Klara 3H
I loved the production of "The Railway Children." The scenery, especially the train, was amazing. This will be the last production that I will see and I am so glad that it was this one.

We have been reading 'The Train Ride' in Nursery this week.

We worked together to make a large-scale junk model train.

There has been lots of role play in our train station outside and we have taken turns to be the driver, the ticket collector and the passengers.

We looked at maps to decide where we wanted to go on our train journeys and wrote tickets to our destinations!

borough athletics

On Monday, PoW competed in the annual Borough Athletics tournament at Lee Valley. We took a group of children ranging from Y3-6 and competed in a wide range of running events against 14 other schools. The children taken were the winners of our Track Day last week and were eager to represent the school.

The children were absolutely brilliant. Every child from PoW finished their race in no lower than 3rd place and we had a few individual successes. Hatib in Y6 won the hurdles and our Y4 relay team won their race too! Despite a few last minute injuries, the children pulled together and cheered each other on to do the best they could for each other and for the school in front of a packed crowd.

Our team finished the day 3rd out of 14 teams which is a huge achievement. We can't wait for next year already and to see whether we can finish in the top two.

A huge congratulations to the team: Naomi, Maria, Azariah, Ryhan, Jacob, Elianna, Nevaeh, Rome, Valentina, Lily-Mae, Reggie, Aayden, Adrian, Joseph, Bintou, Olivia, Ronnie, Ryan, Hatib, Kazi, Constance, Mia, Nevaeh and Kezia.

June Family Home-learning Project

Our school values for the month of June are **Sustainability and Stewardship**.

These two words stand together and alone.

Sustainability: How do we take care of what is around us? How do we make what we have last? How do we promote a healthy planet and have a positive impact on the climate? How do we protect what we have?

Stewardship: How do we take care of ourselves, others and the world around us? How do we take responsibility? How are we role models?

Your task this month is to link the two ideas together and use your geographical knowledge!

Create a 3D model or piece of artwork that demonstrates something about the world around you! Consider the natural world, natural resources or natural features.

It could be:

- A volcano
- A river or canal
- An iceberg
- Meadows, parks or farmland
- A rainforest

Alongside your project, write a short paragraph, poem, labels or record yourself saying why it is important to protect these aspects of our natural world. What advice would you give people to protect it from potential harm? How are you also helping to protect them?

For an additional challenge, **if you are in Key Stage 2**, create a 3D model of a key feature in **our local area** using reused, recycled or waste cardboard as the main material.

It could be: A sports venue, place of worship, school, local farm, river/canal or hill

These KS2 models can be entered into a competition with the Geographical society. More information on the rules of the competition and how to submit your entry can be found here: [Geographical Model Making Competition - Geographical Association \(geography.org.uk\)](http://Geographical Model Making Competition - Geographical Association (geography.org.uk))

Don't forget to let us know if you send something in for the competition!

ACTION REQUIRED FROM ALL PARENTS WHO HAVE NOT PREVIOUSLY APPLIED FOR FREE SCHOOL MEALS

TO SAFEGUARD SCHOOL FUNDING

Dear Parents and Carers,

Further to the letter sent out by email, I write again to urge any of you whom have not previously applied for free school meals (FSM) to do so.

Whilst this may seem counter-intuitive, since all children are currently able to access FSM through the Mayor's scheme, a huge amount of our funding is based on the number of children we have who are **eligible for FSM under normal circumstances**.

Therefore, if you receive of one of the benefits listed below, it is vitally important to register for FSM, in order for the school to secure this funding. If your child is eligible for 'benefit assessed' FSM, the school receives 'Pupil Premium'; we use this money to improve our educational provision and resources and it is **essential that we do not lose it**. It allows us to offer, amongst other things, educational psychologist support, phonics programmes, LASS group, Nurture group, breakfast club, Place 2 Be and music lessons. None of this would be affordable if we did not receive Pupil Premium.

Children will be eligible for free school meals if their parent or carer receives one of the following benefits:

- Universal Credit (provided you have an annual net earned income of **no more than £7,400 (£616.67 per month)**)
- Income Support
- Income-based Jobseeker's Allowance
- Income-related Employment and Support Allowance
- Support under Part 6 of the Immigration and Asylum Act 1999
- The guaranteed element of Pension Credit
- Child Tax Credit (**provided you do not also receive Working Tax Credit**) and have an annual gross income of no more than 16,190.
- Working Tax Credit run-on - paid for the four weeks after you stop qualifying for Working Tax Credit

To register, please visit the school office for an application form or use the one attached to the email that went out this week. If your application is successful, you will be notified within 10 working days of receipt.

Please help us continue to offer the best education we can to your child(ren) by securing as much Pupil Premium funding as possible.

Yours sincerely,

Mr Jan M. Bless
Head Teacher
