

PRINCE OF WALES PRIMARY SCHOOL

Newsletter
12th July 2024

Dear Parents/Carers, Governors and Friends,

New classes from September

Please look out for an email to confirm who your child's next teacher is from September. They will have a transition session on Monday morning, so *it is important that they come to school on time by 8:40am* to spend time with their next class and new class teacher.

PoW sends its best wishes to our England Men's Football Team - Bring It Home!

When the team wins, children may come to school on Monday in RED, WHITE AND BLUE.

Carnival and Summer Celebration Tuesday 16th July from 2:15pm

On Tuesday, children can come to school dressed in 'traditional cultural' dress for our Carnival and School Community Summer Celebration.

There will be lots of fun stalls for children to participate as well as a tombola to win prizes. Please bring lots of small change to spend as we won't be able to change notes.

Several stalls will be selling home-made foods. Whilst we ask vendors that ingredients are listed, please ask directly if you are concerned about your or your child's allergies.

We have been keeping an eye on the weather and may decide to hold the Fair inside and postpone the Parade to a sunnier afternoon. The forecast keeps changing, so it will be decided on Monday or even Tuesday.

KS2 SATs results

Congratulations to all our Year 6 children for the great progress they have made; this was reflected in our SATs results this week.

Good luck to England!

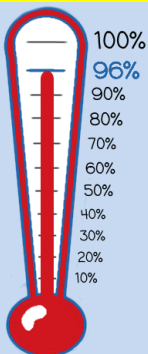

Mr Jan M Bless
Headteacher

Attendance for week beginning 8th July 2024

Ash 90.8%	1B 94.7%	2C 95%	3F 91.5%	4A 90.8%	5G 87.7%	6C 90.4%
Birch 82.5%	1G 94%	2G 96.2%	3H 92.2%	4L 87.9%	5H 96.43%	6D 94.2%
Oak 84.4%	1S 92.3%	2F 90.4%	3S 93.5%	4T 91.9%	5W 92.6%	6F 94.2%

Well done to **2G, and 5H** with attendance above 96%.

Overall attendance since September 2023: **93.23%**

Thu 18 th July	Y6	Year 6 Disco
Mon 22 nd July	KS1 & KS2 all	End of term certificate assemblies – invite only Parents' Evening – drop ins
Tue 23 rd July	Nursery all	Final School Day for Nursery Year group end of term celebrations (PARTIES!)
Wed 24 th July	Y6 all	Year 6 Leavers assembly 11am Half Day - finish at 1:30pm

A big thank you to the volunteers from **Catalina Re** who on Tuesday put in a hard shift of fantastic work at our school on their community day.

They removing small rubber pellets from shredded car tyres that were laid as a path in one of our school gardens. It turned out not to be as eco-friendly as was meant to be so it all had to be removed; an impossible task for our site staff, until this team came to the rescue – they filled a whole skip! We hope to see you again in the future.

Our gardeners have great plans for a redesign – so watch this space.

**BIG
THANK
YOU!**

In July we focus on All LEARNERS values

These pupils received a certificate this week:

Abdulmateen 1B, Toluwanimi 1G, Kasey 1S, Class 2C, Jasiel 2F, Class 2G, Leo 3F, Klara 3H, Teanna 3S, Mert 4A, Aston 4L, Selin 4T, Junior 5G, Kaiden 5H, Kaiden 5W, Millie 6C, Hamidi 6D & Bianca 6F

Outstanding UPSTANDER behaviour

Oh year 2 like to be beside the seaside...

Year 2 had a wonderful day at the beach in Walton-on-the-Naze. Here are a few of the things we heard the children say:

Is that the edge of the world?

Wow! It is so beautiful.

I want to stay here forever!

This was the best day of my life!

Rivers - Albany Park

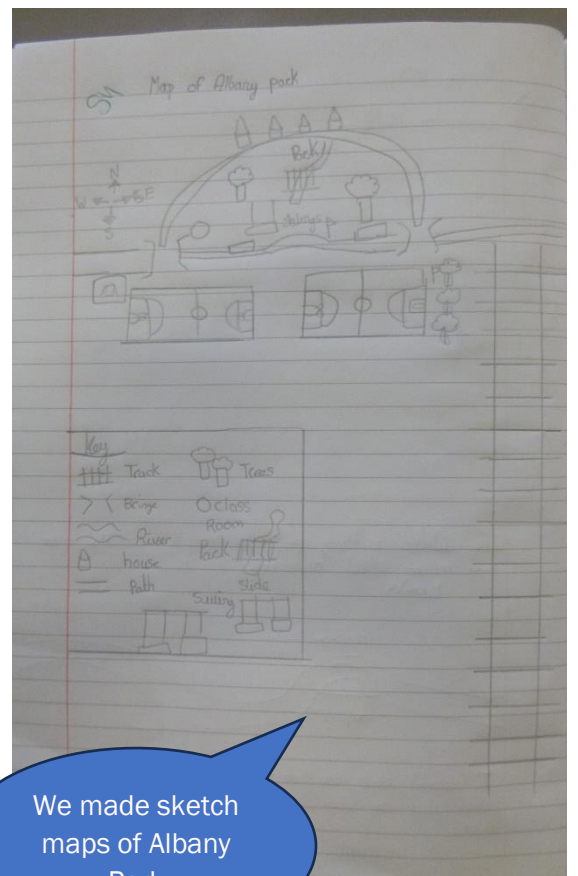

This term, the children in Year 3 have been learning about rivers. To support this learning the children visited our local park to see one in action.

The recent heavy rainfall has meant that the water level is much higher. This has increased the amount of water in the river and has increased the flow.

On the trip our children were able to view the different features of a river including meander, erosion and deposition.

The children created sketch maps and drew images from different perspectives.

At Prince of Wales, we are fortunate to have such great opportunities for learning on our doorstep. Please head to the park and see a river in action.

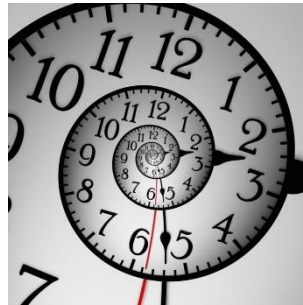

We made sketch maps of Albany Park

We made sketches of what we could see in different directions.

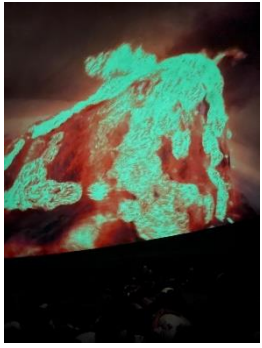

We set up 5 of our own experiments and investigations that we had been working on over the summer term. Ambassadors from all kinds of STEM careers came to ask us questions about our work and find out what scientific skills and enquiry we brought to show and discuss. It was challenging but we really enjoyed ourselves.

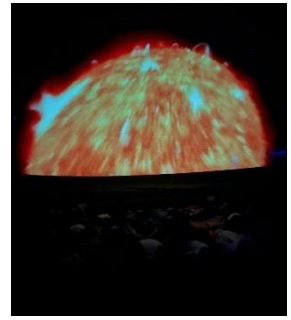

We had the opportunity to join in with a STEM circuit where we went to different tables to complete the various challenges on offer! There were STEM ambassadors at all the tables and there were judging us on our knowledge, team work and whole host of STEM skills! It was fun but we loved the planetarium most of all!

At the science fair we watched a film in the planetarium, it felt like we were actually in the film. We played with VR headsets; I was on a rollercoaster. We also made a torch with 2 batteries and an LED light. Naming different parts of the body was hard. Overall, the science fair was fun even though we didn't win.

Angelica-Rose 5W

I really liked the VR because I felt like I was there, it was so realistic. It was so much fun when we laid down in the planetarium and watched an interesting video. Zeynap 5G

We had a great time when we played on the VR headsets. I would rate the science fair 10/10. The EA company let us create things for SIMs 25th birthday. We made a rayograph (laid objects onto photographic paper and exposed it to light). Although the tea cake challenge was fun, it was my least favourite activity.

Muhammad 5G

It was really fun when we did VR because I liked how it seemed like it was real life. I enjoyed the tea cake making so much. My friends and I thought this was really fun. The EA company allowed us to design a venue, food, characters and activities for SIMs 25th birthday party. This was really fun too. It was really fun going into the planetarium as there were lots of space facts. It was fun learning different ways to make art (with objects and light). It was extremely fun seeing the electricity appear when using the electrostatic generator, it was like a thunderstorm. I like how it made my friends and my hair stand up. Phoebe 5G

To reward our 100% attenders, STIR area manager Jim Estes baked pizzas with them using outdoor pizza ovens. You can see from these pictures what a great time they had. This was both very educational and yummy! Their families will be pleased to know who will cook at home from now on – when it comes to pizzas of course.

Stir.

let's eat, together

Walker Childrens Club - Prince of Wales Primary School

Walker Children's Club (WCC) is providing an action packed programme of Summer holiday club activities. This will include sports, arts and crafts, Cooking and much much more. Children will be provided with lunch each day of the holiday Club. You can book single sessions or for the whole 10 days. More information will be sent later.

Please email admin@walkerchildrensclub.com for any further information.

Where...

Prince of Wales Primary School, Salisbury Road, Enfield, EN3 6HG

FESTIVAL OF THE LEA

A community-led cultural festival

FESTIVAL OF THE LEA

Come and join us!

On Saturday 13th July, we welcome Enfield residents, the creative community and wider London audiences to join us for Festival of the Lea, an artist and community-led cultural festival taking place at BLOQS and along the adjacent canals.

Festival of the Lea is an artist and community-led cultural festival jointly produced by Canal & River Trust project Hinterlands Enfield and BLOQS. We aim to celebrate Enfield's integral waterway, the River Lea, by transforming a stretch of the canal from BLOQS to Chalk Bridge with artistic interventions. BLOQS is one of the key creative drivers in the area, who want to share their cultural and creative offering with local communities as they reach their 12 year anniversary.

What are the visible and hidden layers that sustain and shape the Lee Navigation?

And if we could reimagine its future, what would this look like?

These are some of the questions that artists, community groups and local partners have been exploring since April 2023 in response to the Lee Navigation (known as the River Lea) that runs through Upper Edmonton.

Events

- 4 interactive artistic interventions along the River Lea by artists Cathy Wade, Renin Bilginer, Chantelle Purcell, Cath Carver and Christina Kalinowski.
- A interactive children's theatre performance by Chickenshed.
- An interactive dance performance on Chalk Bridge by Ceyda Tanc Dance in collaboration with Renin Bilginer's artwork.
- Creative workshops for families - colour the towpath with chalk spray and imagine your own future city.
- Performing arts stage with spoken word by Write2Speak.
- Music and culture programme led by BLOQS.
- Learning and educational activities surrounding the sustainability and protection of the River Lea.
- Food and drinks from the BLOQS cafe.

MAIN FESTIVAL LOCATIONS

Key

Festival Hub:
BLOQS, 2 Anthony Way, London N18 3QT

- Performing Arts Stage
- BLOQS cafe
