

PRINCE OF WALES PRIMARY SCHOOL

Newsletter
19th July 2024

Dear Parents/Carers, Governors and Friends,

Parent Drop-in Monday 2nd July 3:30-4:40pm

Do try to attend the Parent Drop-in as this is an opportunity to not only thank your child's current teacher and other adults they worked with but also to meet their next teacher.

Final Appeal – Home Reading and Library Books

Please return all school reading books to school. Check under beds and in nooks and crannies. We sometimes get bags filled with books that have been forgotten - all are gladly received back.

Summer Celebration and Carnival Parade/Performances

Was the weather forecast a blessing in disguise? Separating the two events this week worked better in the end and allowed us to enjoy each in their own time. It was wonderful to see how everyone enjoyed the Fair on Tuesday with everything it offered and on Wednesday, parents looked on with pride as every single child performed on our outdoor stage. We are already planning next year's events! The total raised for our KS1 library including generous individual donations: £473.04 Together with the recent collection after the Matilda Production - £216.48 means **we raised £689.52**.

Amazing Enfield Summer 2024 Programme

Enfield has MUCH to offer your children this Summer. The question is: how on earth will you choose between all the amazing activities and events? Make the most of what is on offer! Book in advance to avoid missing out and schedule carefully on your calendar. We look forward to **YOUR** children sharing with us about the wonderful Summer they had, wherever they went.

Charity Day – Wear Blue on Wednesday 10th July

The playground was 'painted' in various shades of blue as a result of all the children supporting our charity day towards *toilet twinning*. We collected £448, which means we are able to sponsor 7 toilets in remote communities of our world.

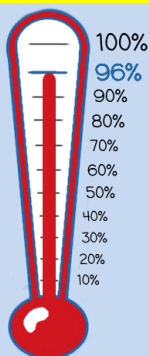

Mr Jan M Bless
Headteacher

Attendance for week beginning 15th July 2024

Ash 86.9%	1B 93.1%	2C 94.6%	3F 87.5%	4A 83.6%	5G 81.2%	6C 95.1%
Birch 76.3%	1G 91.1%	2G 94%	3H 89.5%	4L 84.3%	5H 90.7%	6D 87.1%

Home learning project June

Every month we have a whole school family home-learning project. Our value for June was Sustainability and Stewardship. The home learning project links with the Geographical Association's model making competition. This promoted the use of geographical skills to create models and write about geographical features.

We have been blown away by the number and quality of the models. These range from volcanoes and mountains, to forests, ice-bergs and oceans. Simply WOW!

Thank you to everyone who brought in a model. You will be receiving a certificate. Here are just a few examples from across the school.

An erupting volcano and ice berg.

A wild landscape.

The ocean's depths.

HOLIDAY CHALLENGE

Year 5 children represented our school in the recent ETSP STEM Fair and Science Competition. The children could explain clearly what they learnt about the theme TIME in the context of measuring how long it takes for bread to go mouldy, 'digestion and the body clock' and making a water clock or sundial.

Holiday Challenge

Follow in Year 5's footsteps and make a sundial or water clock during the Summer holidays. Try it out, improve it and bring your model or photos to school in September.

There are lots of ideas online:

[make a water clock - Google Search](#)

[make a sundial - Google Search](#)

In English, year 5 wrote instructions and poems for the current year 4s about what it is like to be in year 5. Here are some of 5W's poems:

Year 5 is a Journey
Year 5 is a Journey, writing brings happiness to faces.
Year 5 is a Journey, making friends will never end.
Year 5 is a Journey, words will become books.
Year 5 is a Journey, year 5 has hard tests, if you succeed you will be one of the best.
Year 5 is a Journey, it's just like wavy seas, there are ups and downs but trust me you'll be keen.
Year 5 is a Journey, like a number line each number and day grows harder and harder.
Year 5 is a Journey, like meditation by blocking all distractions your work will be perfect.
Bella 5W

Year 5
Year 5 is a yoyo sometimes going up and down,
Year 5 is a place full of wonders and curiosity,
Year 5 is a place where achievements spark up like fireworks,
Year 5 is like dynamite where things blast up,
Year 5 is a place where excellence doesn't stop,
Year 5 is almost Year 6,
Year 5 is a place where books become imaginations swirling in your brain,
Year 5 is a welcoming place where worries and stress go away,
Year 5 is a place where various of topics come up with fun,
Year 5 is a place where the journey never ends,
Year 5 is a place where friends stay by your side,
Year 5 is a place where possibilities are free.
-Anna 5W

Year 5 is ...

Year 5 is your dream, in lessons you will always be keen; in year 5 we will always be the dream team.

Year 5 is your fantasy, in books we're really intrigued, where books become clubs, where responsibility rubs on me.

Year 5 is your friend dancing on top of you; year 5 is the best, hopefully you like it too.

-Angelica-Rose 5W

THE JOURNEY OF THE 5

Year 5 is like a yoyo, because of the people. The more you meet, the better it gets.

Year 5 is a blast, bursting with joy. The books are your friends, opening the gates of adventures. The more books you read, the more kingdoms of stories you enter.

Year 5 is kind, the friends are cool. Best friends stay with you, forever you do.

Obhroil 5W

YEAR 5 JOURNEY

Year 5, is like a bouncy castle, sometimes up and then down.
Year 5, an excursion, searching through vast topics.
Year 5, is like a bee, always buzzing above your head.
Year 5, is a chance to let go of worries where you are free to talk to adults openly.
Year 5 is a book, everytime you turn a page, a new adventure opens.
Year 5 is an obstacle where you fail, get up again and carry on to the end.
Year 5 is like a flower, before a bud but now blooming.
Year 5, is a place to imagine and believe.
Year 5 is a key. You unlock a door to a whole new room.
Year 5, is a wave, it washes over you but you must not be submerged and should swim back to the surface.
So, in one word, year 5 is a world where you be YOU!

Summer Health Checks

A Reminder For Parents & Carers

As we are all aware the summer holidays are approaching, less than 1 week away!
Summer holidays are an ideal time to catch up on the essential health check-ups for your children.

Dental

All children should have a regular check-up. The dentist will advise how often, depending on how good your child's oral health is. A check-up allows the dentist to see if your child has any dental problems and helps keep the mouth healthy. NHS dental care for children is free.

Brush teeth twice daily for about 2 minutes – last thing at night before bed and once during the day with fluoride toothpaste to help prevent and control tooth decay. Do not rinse after brushing, just spit out. If you rinse, the fluoride won't work as well.

Asthma

If your child has a diagnosis of asthma, an annual asthma review with your asthma nurse or GP is very important.

The review is a routine appointment where your child will be examined to ensure that they are being prescribed the correct medication to keep the asthma attacks under control.

You are also able to talk about your child's asthma and ask questions i.e., symptoms, triggers and medicines. You can also talk about asthma attacks and how to reduce them.

Immunisations

If your child is of school age, please contact *The School Aged Immunisation Service*.

The School Aged Immunisation Service administer vaccinations in schools and hold catch up clinics for children who have missed any immunisations.

Pre-School Boosters contact GP

Flu (rec to yr 11) in school & catch-up clinics

HPV & MMR (yr 8) in school and catch-up clinics

MEN ACWY, Diphtheria, Polio, Tetanus (yr 9)

in school and catch-up clinics

 020 4553 3890

 northmid.enfieldimmunisationTeam@nhs.net

Vision

Free NHS sight tests are available at Opticians for children under the age of 16 years and for young people under 19 in fulltime education.

Eye checks are important. Children may not realise they have a vision problem, so without routine tests, there is a risk a problem may not be spotted. This may affect their development & education.

If you require any further information or support from the **Enfield School Nursing Team**, you can contact them on:

 020 3988 7300
